- Pocket Money for Lollies and Soft Drinks (Money handed in on arrival and a Tab is run) We recommend to buy from Tui Glen as required and not have large quantities in their bags which encourages Ants and possibility of going missing.

Please name all your clothing and/or belongings

For those bringing own ponies enough supplement feed for time horse/pony is at camp, please ensure horse/pony has recently been wormed, hooves trimmed or shod and not unwell (spread infectious illnesses to other horses) as is most disappointing for children if their horse/pony can not be ridden during camp.

Do not bring to camp any alcohol, banned substances, matches, lighters, fireworks, knives (including pocket knives) or any other article that could be harmful to themselves or others.

Cell Phones/laptops/i phones/i pads/Mp3 players any other electronic device

Cell phones/electronic devices are encouraged to be left at home but will be allowed at camp during free time, and at your own risk, Tui Glen will not be responsible for lost, stolen or misuse by your child or other children on camp.

We prefer younger children not to have Cell phones or if they do (ie 11 years and under) to hand them in and phone home only at specified times as this sometimes can be a problem with homesickness when they have access to phones all the time.

Homesickness

We are well used to dealing with homesickness and can work through the problem, Tui Glen Owners/Managers will contact the parents or guardian if the child was/is truly distressed.

Please **do not** call Tui Glen unless there is an emergency. We will update our Facebook page on a daily basis including uploading pictures. We will send out an email after the first **whole** day with a link to the Facebook page. If you need to relay a message to your child then please send an email, we will either take them to the side or relay the message on our notice board.
